Specialty Movers, 771 Long Point Road,	) APPLICATION,

(District 1) for a Class E (Household Goods)	) NO. 2006-299, AND
Certificate of Public Convenience and	) GRANTING
Necessity.	) AUTHORITY

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Kenneth M. Ellis d/b/a A & T Specialty Movers (Ellis or the Company) to reopen his Application for a Class E Certificate of Public Convenience and Necessity for the movement of household goods.

On May 18, 2006, this Commission issued Order No. 2006-299 dismissing the Company's Application and rescinding the Class E household goods authority granted in Order No. 2005-470. Order No. 2005-470 directed Ellis to file with the Office of Regulatory Staff (ORS) the proper insurance, safety rating, and other information required by various statutes and regulations within sixty (60) days of the date of the Order, or within such additional time as was authorized by the Commission. The Company failed to comply with the Order and the Commission dismissed the Application in Order No. 2006-14. However, the Commission rescinded this Order and granted Ellis an extension to come into compliance with Order No. 2005-470. Lastly, the Commission

issued Order No. 2006-200 on March 31, 2006, which granted the Company another extension, until April 24, 2006, to comply with the Commission's rules and regulations as set forth in Order No. 2005-470. Order No. 2006-299 then dismissed the Application and rescinded the authority, because of a stated failure of Ellis to comply with the filing requirements as described above.

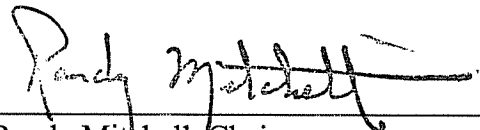

On May 31, 2006, Ellis filed a document requesting that this Commission reopen his Application. Ellis states that he was told that his insurance information was not filed and that his Application was dismissed accordingly. Ellis notes that he has proof that the Form E, evidencing liability insurance, was filed twice, once on March 8, 2006, and again on April 11, 2006. Further, Ellis states that he has purchased a 24 foot truck, supplies, and insurance, paid his fees, and obtained his safety inspection. Accordingly, Ellis requests that we reopen his Application.

The ORS states that it does not oppose Ellis' request since it has received the correct Form E filing.

Accordingly, we grant the Company's request to reopen the Application, and we rescind Order No. 2006-299. We now once again approve the Application, and we restore the Class E Household Goods authority originally granted in Order No. 2005-470, subject to compliance with all Commission Rules and Regulations.

This Order shall remain in full force and effect until further Order of the Commission.
